

Esher Sixth Form College Careers Education Programme

The College Careers Leader is **Nicola Wilberforce**, Director of Progression Guidance. She is supported by **Sally Leyshon**, Progression Guidance Coordinator. Other members of the team include **Helen Humphreys**, Oxbridge Coordinator; **James Leonard**, Art Education Coordinator; **Cat Elmes**, Employer Engagement and Alumni Coordinator and **Alex Elbourn**, the Elmbridge Consortium Careers Adviser.

The **Progression Guidance department** is located in **R105**, and is signposted from the first floor Orange zone (Mathematics department). The department is usually staffed from 8.30am – 4.45pm. All staff can be contacted by email on progression@esher.ac.uk or initialsurname@esher.ac.uk.

The usual **Careers Education Programme** is outlined below but may be subject to change. External providers are very welcome to contribute to lunchtime careers talks and other events. The Provider Access Policy is on the College website under Student Life > Careers and Progression > Careers Programme. Please contact the Director of Progression Guidance in the first instance on progression@esher.ac.uk.

In addition, a **Progression Guidance Bulletin** containing news, updates and information about Higher Education, full and part-time careers and employment opportunities, college-run activities and externally organised career events is published regularly during the academic year. This bulletin is also published on

the Progression Guidance area of the College portal and the latest one is on the College website. Parents and students have access to Unifrog, the Careers and destinations platform. A presentation detailing how to create a Unifrog account and use the resource is also on the College website. NAW June 2022
